PRINCIPAL'S COMMENT

I would like to offer a warm welcome to all of our new students, along with their families, to the Wesley College community. We also welcome three new teaching staff; Mr Vincent Hapi as Head of Maori, Mrs Koke Leleisiua as Life and Faith teacher and Mr Jerry Leaupepe as a Science and Learning Support teacher and Rev. Aliitasi Salesa has been inducted as our Superintending Chaplain.

We have had an excellent start to the year with our Service of Beginnings and Swimming Sports and getting classes, sports practices and Polyfest preparations well underway.

It is an honour for me to be at a school with such a long and proud history, a great reputation in sport, culture and art. The singing in Chapel has been a wonderful experience.

I want to encourage all students to take full advantage of the opportunities available at our school. In particular I want to encourage students to excel in the classroom – to reach their potential. We may not all earn Excellence grades – but we can all work hard to reach our very best.

We will continue to have a focus on some matters that I think are important for the success of Wesley College. They are; punctuality, wearing our uniform correctly, respectful behaviour and language, having work completed and arriving at class ready to learn.

Drugs, alcohol, fighting, smoking, foul language, vandalism, theft, bullying – these things are unacceptable in our school. Students put their place at Wesley College at risk if they choose to involve themselves in these activities.

We all want a positive environment in our school. We want to be able to learn and be safe and be even more proud of Wesley College.
