PRINCIPAL'S COMMENT

As we continue our focus on academic progress I would like to begin this newsletter by congratulating the six students with the top NCEA Credit totals for the end of May. Bronson Snook and Cecilia Liava'a for top in Year 11, Tom Ale and Akapei Ta'ufo'ou for top in Year 12 and Dan Naulivou and Josephina Afoa for top in Year 13.

Letters were sent home to a small number of other senior students who have made an excellent start to the year. Well done, keep up the hard work. Unfortunately we have also sent letters to students who are not putting in the work required to be successful in class. Now is the time to put things right – seek help and work hard.

Parent interviews will be held on the 26th of June. This will be a great opportunity to speak with teachers about the progress your child is making. Please book an appointment through the office or using the online system.

We welcome Denise Bellette to the Wesley College staff. She joins us from Botany Downs College in Term Three as our Director of Business Services. Denise is well known and widely respected in education circles as an Executive Officer.

Congratulations to the 1st XV players and management for making the final of the Chiefs Cup. They enjoyed a great win over Hamilton Boys the week before the final. The team now have a televised game at Wesley on the 20th of June to look forward to.

We also celebrate 30 years of girls at Wesley College on the weekend of the 20th of June 2015.

The students have begun rehearsals for the annual choral competition. The students will perform on Thursday 2nd July at 7pm. All parents and families are most welcome to come and then take their children home for the holiday. Friday 3rd July will be a teacher only day.

There have been some changes in the boarding houses with Denton being closed down and Harding Hall being reopened after a refurbishment. Some boys are settling into new dorms as a result of this move.

Finally, congratulations to Dan Naulivou and Josephina Afoa for being made school prefects.

YEAR 9 AND 10 HEALTH CONSULTATION

Wesley College is beginning a process of consultation regarding the health component of the health and physical education programme. Every two years the school has a legal requirement that it must consult with its community over the proposed Health programme that it will be delivering. You are invited to contribute your comments and ideas towards the Health programme. Our aim is to obtain feedback from a range of sources to enable us to deliver the best programme possible and your input would be greatly appreciated. If you would like to have an input into what is taught in Health, please go to <https://www.surveymonkey.com/r/MB3VQ7B> and complete the quick survey.

All families of year 9 and 10 students will also receive a copy of the program and a questionnaire with this Newsletter. The consultation period closes August 20th 2015.
